# MAISON VERLET BY GREG

- The history of Greg Verlet Champagne House began in the small commune of Barbonne-Fayel, just over an hour's drive from the capital of Champagne, Reims.
- Greg Verlet's grandfather, Georges, began planting the first vines in 1964 and now his grandson continues the tradition of the family of winemakers with big success.
- In March 2021 Cuvee Prestige became the only champagne to be included in the list of winners of the international competition "Women and Wines of the World" in Monaco, where the jury includes only women sommeliers!
- It is also an official champagne of Forbes France during Cannes Film Festival, Le Grandiner and other prestigious events.

- The founder of the brand, Henry de Bellegarde, Monsieur Jean-Luc, began his career as a regular salesman in a wine house. In just a few years, he was chosen as the best of 1,000 sellers! But Jean-Luc was not satisfied with the quality of the wines in their trading house and decided to create his own brand as early as 25 years ago.
- He bought vineyards in Burgundy and Bordeaux, where his famous Gevrey-Chambertin and Sanctus Primus are produced.
- The brand's client base is currently 25-30,000 private clients in the South of France and Monaco, including Prince Albert II himself.

# ROZOY PICOT

- Rozoy Picot is above all a family story. Created by Clement Rozoy, the brand brings you an alliance of French winemaking know-how, revolutionary reunion of wine and natural cannabis plant. The result is a drink full of elegance and sophistication.
- The sparkling wines are produced with the highest respect for traditional production methods and aged for between 2-3 years.
- Carefully selected natural flavors extracted from the cannabis plant called "terpenes" are combined with Blanc de Blanc Chardonnay or Pinot Noir to produce an innovative drink with subtle aromas and a transgressive flavor.
- Perfect for high-end restaurants, terraces and nightclubs!

- We host many high-level events at Monaco's top locations throughout a year.
- We are present at Cannes Film Festival, Formula 1, Milan Fashion Show, Venice Fashion Show to name a few.
- We distribute to yachts, villas, catering companies, art galleries, beauty salons, banks and private clients.
- Our red wine, Sanctus Primus, was one of the two selected by the Palace Princier during Prince Albert II and Princess Charlene wedding (limited edition of 600 bottles).
